Also, Councilman Pearce attended court in Waterford and said that our police officers are working hard to make it work while the municipal building is under construction. Officer Kernan was at court and did a great job. He treated everyone with respect and Councilman Pearce is very appreciative. Councilman Pearce reported on the police department for the month of February 2015. FINANCE, Chairman James Bilella reported that on February 19, 2015 the first budget workshop meeting took place and it was an informative session so that department heads could explain in detail what their current needs are and also what their needs will be in the future. The CFO has prepared a draft of the preliminary budget and Councilman Bilella, the Mayor and Finance Committee have looked over it. Within the next two weeks all of council will be included in a second budget workshop for review. Also, council will be meeting with DPW Superintendent to talk about his budget most likely the week of March 30th. Councilman Bilella attended the Planning and Zoning Board meeting Monday night; the Nexus application is coming in soon (March 23) and there is notification on the borough website. MAYOR, John J. Armano had a meeting with the Camden County Engineer, Pennoni Associates and Councilman Bilella about the speed limit on Clementon Road; a study is going to be done so that the county can lower the speed limit. SOLICITOR, Howard Long informed council that the training for the MEL/Jif scheduled for tonight after the council meeting needs to be rescheduled due to lack of laptop. He also spoke about some of the agenda items; the ordinance relative to the appointment of Registrar of Vital Statistics allows for mayor and council to appoint; the code currently contradicts the state law. Also on the agenda is the ordinance relative to Crater Street; there will be no parking M-F 6 am to 9am and also 2pm to 4pm; Howard also spoke about the ordinance which allows for the court administrator to deposit animal license late fees before the actual court date. Also, Howard distributed three documents to the governing body in regard to the proposed ordinance to tax abatements; differences outlined in the ordinances from the Borough of Berlin and Winslow Township; a draft of the proposed ordinance for Berlin; the application packet for Berlin.
